Re: Case No. 2010-00094
Northern Kentucky Water District

Gentlemen:

On January 7, 2011, the Commission issued an Order in the above-referenced case in which it directed, among other things, that Northern Kentucky Water District file quarterly reports on the status of the water district's efforts to implement monthly billing for residential customers. Northern Kentucky Water District has not filed such reports since June 28, 2011. In its report of June 28, 2011, it suggests that no additional reports will be submitted.

Please advise whether Northern Kentucky Water District intends to submit further quarterly reports to the Commission as required by the Commission's Order of January 7, 2011. If Northern Kentucky does not intend to make such submissions, I respectfully recommend that the water district formally request in writing that the Commission relieve it of such obligation and that such request set forth the reasons why required reports are no longer necessary or productive.

Direct any questions regarding this letter to Gerald Wuetcher, Executive Advisor/Attorney, at (502) 564-3940, Extension 259.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Derouen".
